Considering this guy was just arrested for taking a minor over state lines to have sex, and has been banned from multiple BDSM groups for his behavior and character, I'm not sure he's what you would call a role-model.

Do not buy any of Makai's books. His real name is Charles Michael Segaloff. He was arrested in Oklahoma yesterday (12/22/2015) after taking a minor across state lines. Google the search term: Bondage author brought teen girl to Oklahoma for sexual relationship.

This man is a registered sex offender who was recently arrested for kidnapping a 17 year old girl

that he duped into coming to live with him as his sex slave. Look it up. All of his books should be removed from . This is NOT a man anyone should take seriously in the lifestyle. I gave one star only because it won't let me give 0.

This author desperately needs an EDITOR. The book is VERY hard to read because EVERY SENTENCE has words or phrases IN ITALICS. (I cannot put ITALICS in this REVIEW, so instead I am USING ALL CAPITAL LETTERS to ILLUSTRATE THE POINT. All the ITALIC words and phrases in the text interrupts the FLOW of every SENTENCE and PARAGRAPH, making for IRRITATING and SLOW reading. But WHY does the author use ITALICS so OFTEN in his writing? My guess is that he REALLY LOVES TO HEAR HIMSELF TALK. Every sentence (in his mind) MUST BE absolutely FILLED with EMPHASIS so that the reader knows HOW VERY IMPORTANT all of the author's words REALLY ARE. OK, I'll stop now. But hopefully you get the point. There is some helpful information in this book, but several very important central concepts are made confusing by the author's writing style. Makai spends a lot of time telling his personal stories (i.e. bragging), but fails to give a few examples of different relationships and situations to illustrate the differences (and similarities) between Tops and Bottoms, Doms and Subs, Masters and Slaves. And how does role-playing fit into these concepts? That topic is glossed over.

As a active member of my local community, being in D/s and M/s relationships for years, and as one who discusses, listens to and thinks about what is workable or not, I was curious as to what "THE BDSM Handbook" would offer. While the author makes some good observations, I felt it was slanted ' HIS' way a bit too much and contained too many ' truisms' especially the blurbs at the end of each chapter which were strictly personal beliefs. I found " The White knight Dominant" hilarious too. This is certainly not ' THE' BDSM Handbook, rather another person's take on D/s. I am able to cherry pick although I wonder if a newbie could do the same. Overall not a bad read, but certainly not the best.

This creep was just indicted on 4 Federal charges involving taking a child across state lines and having sex with her. He is a fake and a child predator and his books should be removed from ALL book sites!! The only thing he is an "expert" at is being a child predator. He doesn't deserve the title of Sir or Master in the BDSM lifestyle

This guy is a registered sex offender and now a kidnapper. Don't buy his book!
