Customer Reviews

Carole P. Roman writes a lot, wins a lot, and sells a lot of her well-known books. Julie A. Gerber is an expert in utilization of the social media. Together these two leading ladies have organized a guide for beginners (is anyone these days ever anything BUT a beginner, with all the daily changes in writing/publishing/fining readers?) that details everything we need to know from the start of a book

to assuring the book is readable or worthwhile enough to pass to an editor to polish to finding an artist who can make visible the thoughts of a book, to getting that finished book out to the public to buy and read. Big task â “ well performed. Carole states in her usual warm introductory comments, â “ We will approach the subject to educate, prepare, and enable any person to write, publish, and ultimately sell their books to the general public.â “ And adds â “ A funny thing happened on the way to my retirement. I found myself entering a whole new career in my late fifties, joining a community of people in which there was no return. I entered Indieworld. A different breed of people lives there, yet we all have the same agenda. Itâ “ s an amazing place - we donâ “ t see our differences. We are color, age, and gender blind. We only want to tell our story and have it be appreciated. Oh yes, and make a small fortune in the process. Indieworld is a vast entity filled with a universe of people driven to do the same thing. They are seeking what I refer to as the three â œFsâ •: fame, fortune, and fulfillment without getting screwed. I bet you thought I was going to use another word.â “ That is the tone of this tome â “ warm, humorous, detailed, immaculately researched, thoughtful and â “ it works! This book literally takes the subject from the initial idea for a book through the creation of the finished (â “ !
