## Customer Reviews

I bought this for a child. Unfortunately the words are listed to all the songs and one particular song was a little inappropriate for a child. Other than that this is a great book, especially for beginners!

I purchased this book thinking at least some of the songs could be played on the Treble (Alto) recorder. I was wrong. For my use, it is worthless. If you don't play the soprano, don't waste your money.

Some good ones here. But a bit oversimplified in some cases. I know it says "Easy" so I suppose I shouldn't complain!

This is really fun to get back into playing recorder after so many years.
