Jewelry: Sell Your Jewelry Craft Design & Creativity Using Zero Cost Marketing & Entrepreneur & Business Skills + Crafting Is Like You

Synopsis

If you are passionate about jewelry making, you might already have the first part and second part of this compilation of profitable jewelry stories. This is the third part of From Passion To Profit: Compilation Of Even More Profitable Jewelry Stories - Volume 10. In this 10th compilation, Mary Kay Hunzinger shares this exciting story of her jewelry friend, Janette, who literally started from scratch and runs a very profitable six-figure jewelry business today. Janette's jewelry story started with a measly \$11 sale on eBay in 2007 and today she leads a dynamic team and runs a thriving online business that authors and authorities like Jim Cockrum and Tim Ferriss are typically calling a "virtual empire". Janette's jewelry stories are going to reveal even more powerful zero cost marketing strategies plus you will discover even more multiple streams of income! You will also learn how you can use creative thinking to come up with more profitable income streams and opportunities that are related to the jewelry making niche and that you can add to your bottom line ASAP! You will discover Janette's most profitable jewelry making techniques like "Photo Jewelry and Scrap Booking Jewelry Techniques", "Button Jewelry Techniques", "Even More Jewelry Profits", and lots more exciting stories that reveal Janette's secret sauce. In summary, these additional from passion to profit jewelry making stories will introduce you to the most profitable jewelry techniques, tell you about the most lucrative opportunities that you can add to your bottom line, and finally will show you the secret ingredients that you must build into your jewelry making business in order to be profitable.

Customer Reviews

Awful. They basically make matter of fact statements that everyone of this modern age already knows. I felt stupid listening to it. I want a return. I want it off my audible. I don't want to even look at it.
