Customer Reviews

I know this was a swear word color book, but some of the words were really icky. I expected a lot of f-word, sh*t, etc. but not the C-word and derogatory gay slang. Art was fine is about best I could say. Guess this is something you want to be able to preview in person before ordering. I returned it.

The printing is not good quality. Also anti gay slurs are just wrong. I thought it was just curse words, not racist/homophobic slurs. There are much better books out there.

The printing is a little low quality but overall it's a great book for the cost! There is a lot to color. Those who commented it's a dirty book... I'm not sure what they thought they were purchasing. I love it!

This book has been printed with low resolution printing, and the images suffer for it. I've printed better images at home from my computer. For the cost of ordering something online, I expect the image quality to be much better, not something printed with an obviously low DPI.

I was not happy with this book. First of all the words/lettering were too skinny. Also I expected basic curse words however some of the wording was more graphic than I expected. For example one of the pages said "cum dumpster". I feel the book should have an explicit rating. I would have returned it but the shipping was cost prohibitive. I don't recommend this book unless you are looking for raunchy content.

I like this adult coloring book! If you easily offended just don't buy it. I get lost for hours coloring and this book is great! Not just words but flowers, vines and intricate designs fill in the words. I was given this item at a discount for my honest opinion

I was expecting normal every day cuss words, but this one contains some really overly crass stuff like c*m dumpster and an anti-gay slur. Was that really necessary? It's too much.

I totally love this coloring book! It has several pages of cuss words that are all prettied up with flowers and vines, my only dislike what that on several of the pages a single animal was in it that did not seem to go with anything in the picture. Lots of hours of coloring!!
