## Customer Reviews

I love this book. Best ESL workbook I'm aware of. This book basically helps foreign speakers of English to test their knowledge of common idioms and verbs. It's well organized and concise. It started from the basics and then gradually moved to the complex ones. The explanations of the material are clear and the exercises are suitable and you can get the correct answer after the question. The book is extremely helpful. It does a great job of helping you build your knowledge of English from the ground up, clearly and logically progressing.
