Synopsis

Read by Tyler Oakley! Pop culture phenomenon, social rights advocate, and the most prominent LGBTQ+ voice on YouTube, Tyler Oakley brings you his first collection of witty, personal, and hilarious essays written in the voice that's earned him more than 21 million followers across social media. For someone who made a career out of oversharing on the Internet, Tyler Oakley has a shocking number of personal mishaps and shenanigans to reveal in his first book: He experienced a legitimate rage blackout in a Cheesecake Factory; he had a fashion stand-off with the White House Secret Service; he crashed a car in front of his entire high school in an Arby's uniform; he projectile vomited while bartering with a grandmother. With millions of fans clamoring for more Tyler Oakley, he delivers his best untold, hilariously side-splitting moments with trademark flair in *Binge*.

Customer Reviews

Why does it seem like being an avid YouTube fan has to be such a dirty secret? Is it because so many people are so behind the times in terms of entertainment that it is still seen as weird and kooky to turn to it as a primary source of media? Or is it just an acquired taste? Either way, here's a personal admission that I never had sufficient reason to declare passionately on social media until now: I have loved Tyler Oakley for so many years. I have loved him with a true, pure, beautiful adoration dating back to the day my best friend/old roommate and I stumbled upon his channel in 2011. Now, years later, Tyler's empire is building and stacking up to be one of the most impressive in the entire online community. I'm proud of my little baby kindred spirit, and I love him now as much

as I did the day we found his "HOW TO: Pray The Gay Away" video (that's right, young fans...I was there before the stalking One Direction video). At present, I have just finished his book at the end of my long night shift and passed it off to my partner, who just happens to be another avid YouTube content consumer and fan of our Queen Oakley. We spend our nights watching some of the other greats: Joey Graceffa, Mamrie Hart, Dan Howell, Phil Lester, Shane Dawson, Trisha Paytas, Zoe Sugg, and (my personal favorite right now) Drew Monson, just to name a few. Tyler, himself, embodies everything you want in a friend and his videos have become a tremendous source of comfort for me. It truly fills my heart with joy to know that anyone out there who may be struggling can turn to him and others like him to find refuge and strength.
