Mary Engelbreit 2017 Day-to-Day Calendar: Life Happens

Customer Reviews

I just added Mary's 2017 to may cart. It looks wonderful! So much better than the ME calendars the last few years. I didn't purchase the 2016 calendar because I was not a fan. I have had ME calendars for years prominently displayed in my kitchen and have enjoyed them so much! Thank you Mary for creating a calendar for 2017 that I will enjoy and treasure! I also ordered the 40th Anniversary calendar, pocket calendar, the small wall calendar for at work, and two coloring books. Can't wait to get them!

Apparently I didn't study the description enough to find out that this wasn't a large calendar for your wall. But I guess that's what you do sometimes when shopping in a hurry. So it wasn't at all what I expected when I received it, but it is a gift for a friend and I am sure she will still like it a lot.

This is the ONLY calendar I purchase to use on our refrigerator. It is the "go to" guide for my husband. I post a month at a time. Plenty of space to write daily happenings and appointments. I've been buying 2 of these for over 20 years--one for myself, the other for my BFF.

Great calendar. Just what I was looking for.

Wonderful, as always!

Great mini wall calendar. Have used Mary Englebreit's Mini Wall calendars for years. Perfect size and fun illustrations.

I intended to purchase the wall calendar, not the day to day calendar. I will be trying to return this item

These calendars are fun to look at. They are printed on quality paper and the artwork is beautiful.
