## Customer Reviews

I thought it would be great to have this book in electronic form, but no thought has been put into its formatting whatsoever, it was just dumped into a kindle file. Thousands of pages and working index and the book is too large to make the search function very much help. Disappointed!!

My daughter and I have been going on various sights from this book, but actually getting qualified for legit deals has me wondering if all these sights are just gimmicks. So far we have been doing this for several months with no luck.

Exactly as promised. Thank you.

too overwhelming
