## Customer Reviews

I believe morning prayers are the most effecting in my life, though unfortunately I donâ™t always find the time for morning prayers. But I always try my best. Prayers are a major part of Christian life and this is how we connect with God. Saying prayers early in the morning really does energize the whole day; for me it actually gives me a very inner spiritual calmness. These morning prayers cleanse my mind of all these clutter and I focus on unburdening and humbling myself to GOD; because for a majority of people at the start of the morning what is in their minds are all the work, troubles and problems ahead or of the previous day. These prayers here have a pattern and in the second paragraph, I confess my sins and weakness. This is what calms my mind and relieves it in the presence of God.

Prayer can be a form of religious practice, may be either individual or communal and take place in

public or in private. It may involve the use of words, song or complete silence. A morning prayer is a wonderful way to focus our time and attention on seeking God's plan for the day ahead. Whether we need encouragement, peace, strength, or rest, God can meet you in a very real and present way when you come before Him with a humble heart. Seek God's presence each morning before your energy and attention is pulled by all the tasks we have ahead. This book contains hundred helpful morning prayers to start our day.

This book is on the top of my list of books about prayer I appreciated the quotes and insights about prayer.

The title for this book is literally perfect. The book is basically a compilation of morning prayers so that you kick start the day with a pure heart. The prayers are powerful indeed and after trying a few of them I did feel better. The best part about this book is the sheer number of prayers. If you pray regularly in the morning you would want to have different prayers and this book does it. Overall, I highly recommend this book.

Mornings are usually hard to start. Because you are all groggy and at times a bit tired from the other day's activities, but mornings are important because as they say, what mood you are when you woke up will be your mood the entire day and as a Roman Catholic, what sets up my mood is a prayer. I usually have a spontaneous prayer, just to thank Him for waking me up and hoping for a good day ahead, but when I saw this book I was interested. These prayer are all good, inspirational and indeed a way to start my day. Will definitely try these.

This book is very good, I loved, start with very good energy day is what everyone needs, feel a relief throughout the day, is a book written for those people who start the day exhausted, I recommend it,

This book really helped me and family through some rough moments we had past month. The prayers are so powerful, and filled with emotion, hope and belief. I think praying in the morning is the most important, and this book has a lot of them. They gave me hope, energy, will to move on and defeat the obstacles from day to day. It's not only for troubling times, you should read it even if everything is nice in your life. Those prayers motivate us, make our hearts warm and give

peace to our mind and soul.

I find guidance and insight through these books, the morning prayers book is a good way for me to start my day.
