# The Ultimate Scholarship Book 2017: Billions Of Dollars In Scholarships, Grants And Prizes (Ultimate Scholarship Book: Billions Of Dollars In Scholarships,)

## Synopsis

Information on 1.5 million scholarships, grants, and prizes is easily accessible in this revised directory with more than 300 new listings that feature awards indexed by career goal, major, academics, public service, talent, athletics, religion, ethnicity, and more. Each entry contains all the necessary information for students and parents to complete the application process, including eligibility requirements, how to obtain an application, how to get more information about each award, sponsor website listings, award amounts, and key deadlines. With scholarships for high school, college, graduate, and adult students, this guide also includes tips on how to conduct the most effective search, how to write a winning application, and how to avoid scams.

## Customer Reviews

Very Resourceful book. This book has a wide variety of scholarships to meet you at every stage of your educational level. Whether you are fresh out of high school, or going back, it's here. They even have scholarships you can apply for as early as middle school. I love how the beginning of the book list scholarship tools and information and the importance of applying for scholarships. I definitely recommend this book.

The indexing is very useful. The scholarships are grouped by various categories which make filtering out the ones you need to invest time into. The book contains enough to keep your student busy applying!

This was incredibly helpful because all the scholarships are right there in the book. I only wish the categories were a bit different

a lot of useful information inside. Worth the expense.

Lots of stuff in this book and most we don't qualify for but we will try anyway.

Great product for great price

Who needs to pay lots of money to a 'scholarship researcher', when all you really need is the info in this book and an ability to write a decent essay?

Had over two thousands scholarships, took most of the days to go through them all but was about to find more then enough to get a start.
