BB203FL - Warm-Ups And Beyond - Flute

Synopsis

Veteran middle school band director Timothy Loest has drawn from 18 years of experience to create an all-encompassing warm-up book appropriate for elementary, middle, and smaller high school programs. Its logical sequence addresses technical issues at a variety of levels. In addition to a wealth of chorales and scales, the book incorporates articulation and flexibility studies, and an in-depth glossary of musical terms, providing answers to questions posed by younger musicians. Percussion educator Kevin Lepper has added a wealth of percussion exercises that will enhance the technique of individual percussionists while developing the overall sound of your ensemble. Warm-ups and Beyond is an ideal resource for every developing library.

My Daughter teacher uses this as his warm for band. My daughter loves the ease of uses of this book.

My daughter needed this book for band. She hasn't commented on the material. It's mainly a warm up when she plays her flute.
